If you do not agree with all of the terms and conditions of this agreement, do not download, install, copy or otherwise use the software.

This Nuance Communications, Inc. ("Nuance") End User License Agreement ("Agreement") accompanies a Nuance software product in machine-executable binary code and related explanatory written materials ("Software"). The term "Software" shall also include any modified versions, updates or upgrades of the Software that may be licensed to you ("Licensee") by Nuance, but does not include source code for the Nuance software product. As used in this Agreement, "Software Package" means the Software and the accompanying documentation. You may install and use such a modified version, update, or upgrade of the Software only if you have a validly licensed full version of the Software being modified, updated, or upgraded. If you download, install, copy, or otherwise use such a modified version, update, or upgrade of the Software, then this Agreement terminates as to the previous version of the Software, and you have a license only to such modified version, update, or upgrade of the Software under the terms of this Agreement. The Software is licensed to you, Licensee, as the end user, subject to all of the terms and conditions of this Agreement.
