- 1.1 **New Versions.** During the term, new Versions of the Software (e.g., major enhancements and/or improvements to the Software) will be included in the Monthly Charges. However, we will provide technical support for only the most current Version and the immediately preceding Version of the Software.
- 1.2 **Warranty Disclaimer.** NO WARRANTY PERIOD SHALL APPLY TO THE SOFTWARE.
- 1.3 **Injunctive Relief.** If you breach or threaten to breach the General Terms and Conditions or these terms, we and/or our suppliers will be entitled to obtain injunctive relief (without the requirement of posting a bond) and/or a decree for specific performance, in addition to any other remedies available at law or in equity.
- 1.4 **U.S. Government End Users.** The Software is a "commercial item" as that term is defined in 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all U.S. Government end users acquire the Software with only those limited license rights set forth therein and in this Subscriber Agreement, and do not acquire any other right, title or interest, express, implied or otherwise, in or to the Software

2. Termination. Upon the termination of the General Terms and Conditions and/or these terms, your license and right to use the Software will end immediately and you must return the Software to us (or uninstall web-based Software), along with the documentation, content enhancements (if any), and any other documents, manuals, data, information or materials furnished by us, as well as any copies of the Software and listed materials. You must destroy any embodiments of these materials stored in or on a reusable electronic or similar medium, including but not limited to memory, disk packs, tape, and other peripheral devices, and certify such destruction/deinstallation in writing to us.

If you are accessing and using certain Software for purposes of evaluation only and have not signed a separate Proof of Concept Agreement, the following terms and conditions apply in addition to the General Terms and Conditions and the above, unless otherwise noted:

- a. We grant a non-exclusive, non-transferable, limited license to you, for a certain number of your personnel to use the Software, at no charge, in object code only, for the limited purpose of evaluating the Software, in a test environment only, to determine whether you wish to enter a full production use license for the Software (the "Proof of Concept" or "POC"). The number of your personnel participating in the POC and the specific Software to be tested during the POC will be mutually agreed upon by the parties prior to the start of the POC.
- b. The POC will continue in effect for 30 calendar days (unless a different POC term is agreed to by the parties) following the first day of training for the test group, unless earlier terminated as provided in this paragraph 3 or unless further extended by oral or written agreement of the parties. We may terminate the POC immediately upon giving you written notice of termination. You may terminate the POC without cause immediately upon giving us written notice of termination.
- c. Immediately upon termination by either party or expiration of the POC, (1) we will terminate your access to the Software (unless you have signed a full production use license agreement for the Software); and you will comply with the requirements listed in paragraph 2 above.

Prior to the start of the POC, you will provide us with the names of individuals to whom access to the Software is to be provided during the POC.
